For the rapid Cure of COUGHS, COLDS, HOARSENESS. BRONCHITIS.WHOOPING-COUGH, CROUP, ASTHMA, AND

CONSUMPTION.

Of all the numerous medicines extant, (and some of them valuable) for the cyre of pulmonary complaints, nothing has ever been found which could compare in itselfacts with this Preparation.—Others care sometimes but at all times and in all diseases of the langs and throat where medicine can give relief, this will do it. It is pleasant to take, and perfectly safe in accordance with the directions. We do not advertise for the information of those who have tried it but those who have not. Families that have known its value will not be without it, and by its timely use, they are secure from the daugrous consequences of Conghs and Colds which neglected, ripen into fatal consumption.

The Diploma of the Massachusetts Institute was awarded to this preparation by the Hoard of Junges in fleptember 1847; also, the Medals of the three great Institutes of Art, in this country; also the Diploma of the Ohio Institute at Cincinnait, has been given to the Cura ay Protona. by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion founded on the long experience of the sminent Physician of the Port and Chry of Dr. J. C. Ayer,—

Five years trial of your CHERRY PECTORAL in my gractice, has proven what I foresaw from its composition, must be true, that it eradicates and cures the colds and coughs to which we, in this section, are peculiarly liable.

I think its equal has not yet been discovered, nor do I CONSUMPTION.

I think its equal has not yet been discovored, nor do I know how a better remedy can be made for the distempers of the Throat and Lungs. J. J. BURTON, M. D., F. R. S. See what it has done on a wasted constitution, not only in the following cases, but a thousand more:—

Dr. Ayer: In the month of Jaiv last I was attacked by a violent diarrhea in the mines of California. I returned to San Prancisco in hope of receiving benefit from a change of climate and diet. My diarrhea cased, but was followed by a severe cough—and such seroness. I finally stated for home, but received no benefit from the voyage. My cough continued to grow worse, and when I arrived in New York, I was at once marked by my acquantances as a victom of consumption. I must confess that I saw no sufficient reason to dould what my friends all believed. At this time I commenced taking your truly invaluable medicine with little expectation of deriving any benefit from its use. You would not receive these lines did not regard it my duty to state to the afflicted, through you, that my health, in the space of eight months, is fully restored. I attribute it to the use of your CHERRY PECTORAL.

Vours truly, William W. SMITH.

St. Clairsville, Nov. 5, 1852. DR. LOCOCK'S PULMONIC WAFERS.

THE GREAT MEDICAL DESCOVERY OF TI AGE.

For the cure of Colds, Conghs, Asthma, Branchitis, Consumption, and all affections of the Chest and Liver.

These Walers operate like a charm—producing almost Instantances relief. They allay at once, the tickling and irritation in the throat, which give rise to hacking and coughing, and finally result, if not arrested, in a disease of fatal type.

For Bronchitis, so fearfully prevalent in this climate, these Walers stand perfectly unrivailed. No Public Speaker should attempt to address an audience without a supply of LOCOCK'S WAPERS in his pocket. They are recommended to the control of their matchless virtues, in all complaints for which they are recommended. One box will satisfy you that we cannot speak too highly in their favor.

WILLIAM HOWELL, of Rochester, formerly of England was cured of an aggravated Sore Throat and Constriction of the Chest by LOCOCK'S WAPERS, before he came to this country, and has always used them since in similar affections with triumphant; success. Mrs. R. F. VAUGN, and daughter, of Rocheste

were cured of severe coughs by LOCOCK'S Pulmoni-Wafers. In 78. V.'s case four or five Wafers effected Walers. to a perfect cure.
F. W. HABIN, M. D., of Rochester, recommends these Wafers to all afflicted with disease of the Chest or Pulmonary Organs. Entertaining the prejudice against "Patent Medicines," so common among his profession, he yet felt it his duty, after experiencing in his own person, their wonderful curative powers, to bear; thic tes son, their wonderful curative powers, to bear 1 inic testimony to their merits. As, of Holy Head, was restored to his natural voice by LOCOCK'S Wafers after it had been impaired for THIGHTY-FIVE YEARS. He is enthissiatic in praise of the Wafers, and advises all preachers

itic in praise of the Wafers, and advises all preachers and singers to use them.

Hon. AMUEL RICHARDSON, late Mayor of Rochester, N. Y.; Dr. James McCarthy, of Medical Hall, Dublin; S. Pearsail, Vicar, Litchfield Cathedrai; E. Preston, Coal Merchant, of Hull, England; and thousands of others have volunteered their testimony in favor of Dr. LOCOCK'S great discovery. A single trial will convince the most sceptical that no medicine approaches this in the absolute control it exerts over all that fatal class of discases which we have enumerated, BEWARE! The rapid sale of Dr. LOCOCK'S Wafers, consequent upon their world-wide reputation, has tempted heartless speculators in the life and health of mankind, to palm off upon the unsuspecting a worthless imitation of Dr. LOCOCK'S Wafers. Be sure that you ask for Dr. LOCOCK'S Wafers, and see that the name of E. TAYLOR, the Proprietor be written on the top of each box. IL None other can be genuine.

HOBENSACK'S WORM SYRUP.

HOBENSACK'S WORM SYRUP.

An article founded upon scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Blowel Complaints and Diarrhera have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have fulled, is the best evidence its superior efficacy over all others.

THE TAPE WORM!

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stonach effecting the health so sadily as to cause St Vitus Dance, Fils, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore he proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Table-spoonfulls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills. No part of the system is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. Those Pills being composed of ROOTS & PLANTS furnished by nature to heat the sick. Namely, ist, An EXPECTORANT, which augments the secretion from the Pulmonary nucos membrane or promotes the discharge of secreted matter. 2nd. An ALTERATIVE, which changes in some inexplicable and insensible manner the morbid action of the system. 3d. A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole masse of corrupt and vitiated matter, and purifying the Blood, which desireys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight painty the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base Imitations.
